MAJOR HARRY E. MENEZES

Commandment of Cadets; National Guard; United States Army; World War I; Army of Occupation in France; Officers' Reserve Corps.

STAFF SERGEANT FRED WIESS

United States Army nineteen years; Service in the Philippines, China, and Panama.

STAFF SERGEANT THOMAS C. BLACK

United States Army for twelve years with two years overseas' service; Received the Purple Heart and the Bronze Star Award.

Reserve Officers' Training Corps

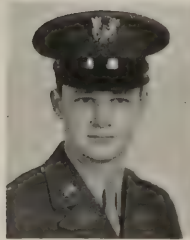

The object and aims of the R. O. T. C. in general are:

1. To provide systematic military training at civil educational institutions for the purpose of qualifying selected students of such institutions for appointment as reserve officers and non-commissioned officers in the military forces of the United States.
2. To add to the educational resources of schools and colleges and give students a training which will be as valuable to them in their industrial or professional careers as it would be should the nation call upon them to act as leaders in the defensive forces.

In interpreting the policy and message of the national government in establishing R. O. T. C. instruction in public high schools and other educational institutions of the country, we maintain that it is not the purpose of the government to make soldiers of students who participate, but to develop in them those qualities of manliness, discipline, and leadership which will make these young men good citizens and natural leaders of men in whatever calling they may follow in the years to come. It naturally follows that good citizenship and leadership will give to the nation in time of national emergency the leadership necessary for its armies. The ultimate purpose then of the R. O. T. C. in the Dallas high schools is to develop in the student a high sense of patriotic citizenship and an interest in the individual responsibility of citizenship toward the preservation and protection of American institutions and ideals.

THE FIGHTING BULLDOGS OF '45

Opening the 1945 football season with a stunning 19-0 victory over favored Sunset, the Bulldogs, with the united assistance of the student body, continued to show Dallasites that it would require more than the opinions of some sports writers to keep them in a lower-bracket spot in the district race.

Under the veteran coaching of Rufus Hyde and Earl Adkins, the Bulldogs, exhibiting that fighting spirit which has become symbolic of the Bulldog team, went on to win seven out of their ten games and share second place in the final district standing.

After losing a thrill-packed contest to Woodrow Wilson by one point and then coming out on the little end of a mud battle with Crozier Tech, the Bulldogs chalked up victories over Adamson and then Forest, ending a good

first half, as far as statisticians were concerned, but not so good in the minds of the boys themselves.

Tech proved to be the better ball team in their next grid battle. But not until the siren sounded ending forty-eight long, hard-fought minutes did the fighting Bulldogs concede that fact. With determination and a will to win, the Bulldogs marched over their four succeeding opponents in rapid fashion, including the cocky Woodrow eleven that couldn't be beaten by any North Dallas football team.

The winning of this last game climaxed an over-all great season, with the Bulldogs displaying all the way, the clean, sportsman-like brand of football the people like to see. Most important, it is leaving behind a group of veteran ball players around which a championship Bulldog team of 1946 can be built. With the type of support which the students gave this team, nothing can keep the Bulldogs of '46 from attaining a championship season.

Cheerleaders

Jean Mayo, Charles McCleskey, Barbara Hershfield, Bobby Morris, Frances Gieb,
Lionel Morrison, Sharon Smith, Russell Womack.

Manager—Wayne White

Coaches—Rufus Hyde, Earl Adkins

Jack

JACK CARPENTER, Tailback—Jack was Co-Captain all-city back and winner of the "Season's Most Valuable Player" award. These honors tell their own story of this great little ball-toter.

JAMES BRADLEY, Fullback—James' hard drive was always good for three or four yards when the going got tough. His short but valuable services this past season will add experience and knowledge to the Bulldogs of '46.

BILLY LEMMON, End—Bill was a great defensive as well as offensive ball player. His ability to pull in passes mid scores of opponents made him an outstanding and essential cog in the team.

RUSH MEAZELL, Tackle—From sand lot to varsity football. Rush proved to be one of the best N. D. ever had. His great defensive almost merited an all-city berth.

BILLY HUNTER, Guard—His position as co-captain tells what kind of fellow he was and his selection as guard on the all-city team tells how he played football. His experience will be put to good advantage on next season's team.

JACK CLEVELAND, Center—As co-captain and defensive quarterback, Jack consistently confused the team's opponents with his signals. His excellent defensive work was his outstanding feature.

CHARLIE WILLIAMS, Tackle—As the going got tough, Charlie got tougher. His "never say die" spirit was symbolic of the entire Bulldog squad.

GILBERT MABRY, Tailback—Credit for all our points and beautiful kickoffs must be given to Gilbert. He could also give a good account for himself when asked to carry the ball.

ERNEST THOMPSON, End—Ernest's size coupled with his stamina and determination made him a player that could always be counted on to carry out his assignments.

REGGIE DAVIS, Blockingback—Besides helping our backfield weight average, Reggie's hard running and 185 pounds added considerable yardage to our running attack.

Linebackers

LETTERMEN

1945

JACK TALLEY, Guard—Jack, a two-year letterman, was a hard blocker and hard charger on defense. He had honorable mention for all city.

NICK PUSPERICA, Tackle—Nick, a two-year letterman, switched from guard to tackle. Honorable mention for all city tells how good he is. He returns next year.

REX THOMAS, End—Rex is one of the lightest ends in the city but one of the best. He returns next year.

D. C. CHANCEY, Fullback—Besides calling signals, Chancey ran, kicked and passed for the Bulldogs. He received honorable mention for all-city.

RAY BARKER, Wingback—Outstanding on pass defense, Ray ran the ends for many a large gain.

LEE HIGH, Wingback—Lee, a two-year letterman, was a good pass receiver because of his speed and height. He gained considerable yardage on end runs.

GEORGE SUTTON, End—George was a hard charger on defense and a good pass receiver. "Red" will make things tough for opponents next year.

GENE DUBEY, Tackle—Gene used his weight to plunge through opposing lines and stop the ball carrier.

BILL DODSON, Guard—Bill, speedy and powerful has excellent form in blocking. He returns next year.

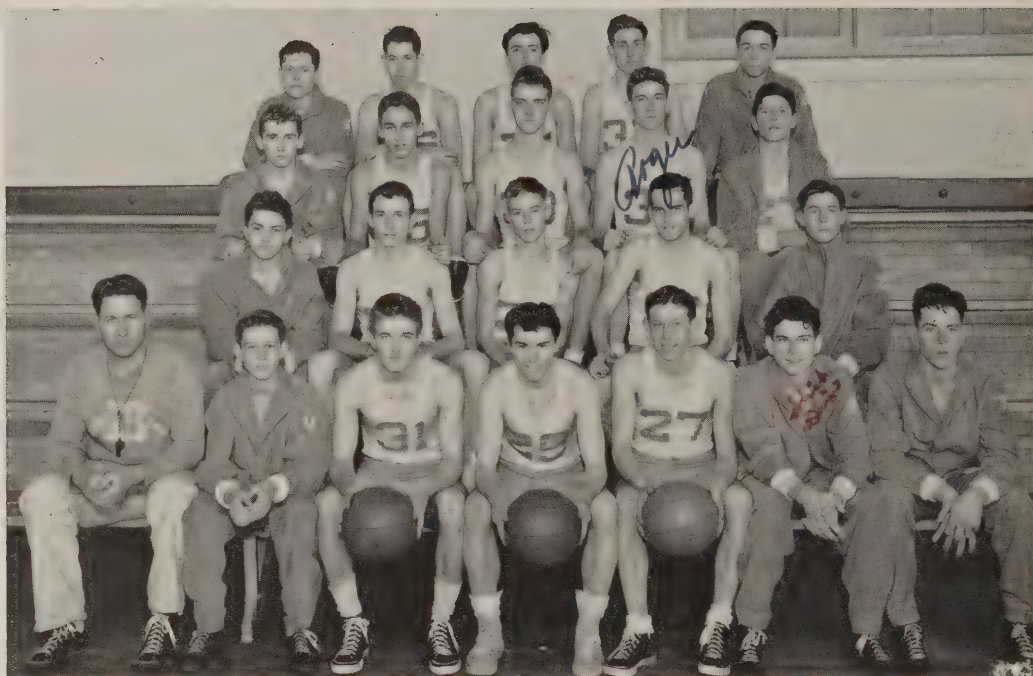

MAX MURRELL, Center—Max was an outstanding downfield blocker as well as pivot man. Injury kept him out of many games.

OF THE BULLDOGS

1946 BASKETBALL SEASON

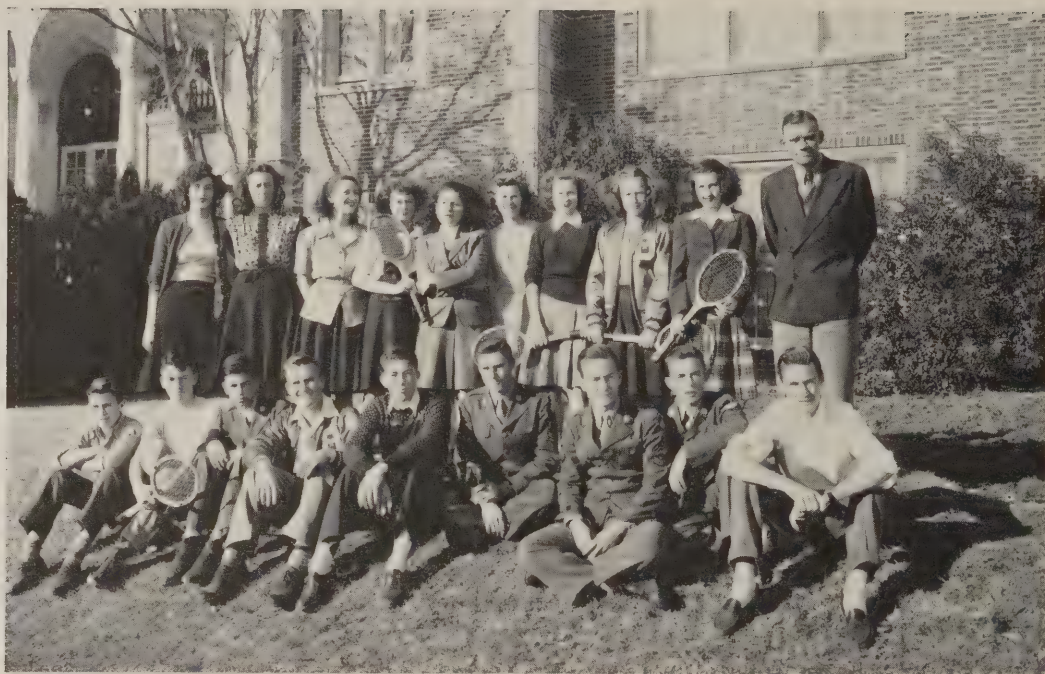

The Bulldogs had a bad season in basketball because of the lack of experienced men. Although only one out of ten games was won, most of the games were close and the Bulldogs fought hard all the way and showed a high quality of sportsmanship. All the other teams had the advantage of height, but the Bulldogs made up for this through their speed. Coach Williams loses only two of his boys from the squad next year. They are Richard Hall and Sidney Boyd. With the same fighting spirit combined with experienced boys, the Bulldogs will be playing for the top berth next season.

Outstanding performances were turned in by Bobby Davis and Roy Hughes who received "All City Honorable Mention." The lettermen are Donald Bennet, Sidney Boyd, Bobby Davis, Roger Davis, Richard Hall, Roy Hughes, Cleburne Price, and J. R. Williams, and D. C. Chancey, who graduated in January. The lettermen who return next year are Bennet, Davis, Davis, Hughes, Price, Williams, and Richard Henley, the manager.

TRACK TEAM

This year's team boasts two returning lettermen, Cleburne Price, the team's leading point maker, and Charles Clark. Price placed in both the high and low hurdles, the high jump, and in the city meet last year. Clark placed third in the four-forty yard run besides running a lap on the winning mile relay team. Returning squadmen from last year's team include Sidney Boyd, Bill Richardson, Kenneth Bailey, Dick Williams, Jimmy Fitzgerald, Bruce Oliver, Elbert Spence. Joe Thomas transferred from Woodrow Wilson as did Robert Owens from Sunset. Milton Maclin is a transfer from Tucson High, Arizona. Other members of the team are Gene Reese, Charles Dugger, Hal Quinn, Frank Anderson, George Spalding, Sammy Angelo, Anthony Carrillio, Buster McGregor, Billy Jones, Robert Putnam, Billy Prewitt.

TENNIS TEAM

The nineteen forty-five tennis team, coached by Mr. Anderson, is composed of Sara Jo Reed and Mary Margaret Biggs in girls' singles; Lena Laurea and Kathleen Meager in girls' doubles; Jack Cooper and Ben Willis in boys' singles; Charles Thomas and Max Murrell, Claude Brewer and Charles Bund, Ronald Cos, and Billy Southerland in boys' doubles. Jack Cooper and Sara Jo Reed are the only returning lettermen.

GOLF TEAM

The nineteen forty-six golf team, coached by Mr. Whitmeyer, is composed of Dee Ogdon, Charles Chatfield, George Spalding, Sam Parish, and Jimmy Sale. The only experienced members are Dee Ogdon and Charles Chatfield. The team has had three encounters. In their first, they were defeated by Woodrow Wilson in their second, they defeated Forest and in their third they defeated Tech.

The Bulldogs had a bad season in baseball because of the lack of experienced men. And there was the Freshman who
tried to get a passage to Europe on the
S. S. Knapp.

*

Cop: "Hey, you can't do that!"

Carolyn Weaver: "Why not? A right
turn is wrong—the left turn is right. It
isn't right to turn right, because the right
turn is wrong. If you wanna turn right,
turn left, and—"

Cop: "Aw, go ahead!"

*

North Dallas Student (coming into a
store): "Say, how about trying that suit
on in the window?"

Salesman: "Sorry, but you'll have to
use the dressing room."

*

"What is a genius, Pop?"

"A genius, son, is a man who can re-
write a traveling salesman's jokes and
get them accepted by the Ladies Home
Journal!"

*

"What did you get for your birth-
day?"

"You know that new Chrysler sport
roadster we saw in the window last
week?"

"Yeh?"

"Well, I got \$5.00."

*

Mrs. Ransome: "What would happen
if a colored waiter were to drop a plat-
ter of turkey?"

Smart One: "The humiliation of Afri-
ca, the destruction of China, the over-
flow of Greece, and the fall of Turkey."

*

A pedestrian had fallen into a man-
hole and called for help.

"Dear men," said a gentleman who
happened along, "have you fallen into
that manhole?"

"Not at all," was the reply. "As you
seem interested I will say that I just
happened to be down here and they
built the pavement over me."

*

Helen: "I wonder what men talk about
when they're off by themselves."

Nellie: "Probably the same things we
do."

Helen: "Oh, aren't they awful!"

A woman is judged by her company,
but not until they have left.

★

A man was speeding along the road
in his car. A state trooper caught up
with him and made him pull over to the
side of the road.

"Why were you going so fast?"

"My brakes are bad and I was hurry-
ing home before I had an accident," re-
plied the driver.

★

First Joe: "Your car has no horn, has
it?"

Second Joe: "No, it doesn't need one."

First Joe: "Why?"

Second Joe: "Because it says 'Dodge
Brothers' on the front of the car."

★

Mr. Syron: "What is the chemical
formula for water?"

Chem. 1 Student: "H I J K L M N O."

Mr. Syron: "What are you talking
about? Stop babbling."

Student: "Well, sir, yesterday you
told us it was H to O."

★

A famous pianist was hired to play
for an ambitious amateur singer.

The lady continually sang off key.

At last the accompanist turned to her
in despair:

"Madam," he shouted, "I play the
black keys, I play the white keys; but
still you sing in the cracks."

★

The teacher left the classroom for a
few minutes. On her return, she found
the class noisy and disorderly.

"How does it happen," she asked
angrily, "that I never find you study-
ing when I come back to the room?"

A piping voice answered, "Please,
ma'am," it said, "you wear rubber
heels."

★

Two thieves were looting a hotel room
when they were interrupted by a knock
at the door.

"Open up!" shouted a voice.

"What'll we do?" whispered the first
thief.

"Let's jump out the window," his fel-
low burglar replied.

"But we're on the thirteenth floor,"
said the first thief.

"Listen pal," said the other, as he
thrust one leg over the sill, "this is no
time to be superstitious."

★

Passenger: "You'll bring me back
safely, won't you?"

Aviator: "Have no fear, madam. I
never left anybody up there yet."

★

"You musn't laugh out loud in the
classroom," the teacher told Johnnie.

"I didn't mean to do it," apologized
Johnnie. "I was smiling and it broke."

★

He: "Are you sure that you've never
been out with a sailor before?"

She: "Certainly, I'm sure."

He: "Swell. Where shall I meet you?"

She: "At 2100, on the starboard side
of Pier 2."

★

"John," she called, as he drove out
of the garage, "when you're in town,
stop at the grocery store and buy a jar
of that traffic jam I keep reading about."

★

Father came home one night and
asked his little dears, "What have you
children been doing to help mother?"

"I washed the dishes," boasted Mary
Ann.

"I dried them," answered Junior.

The youngest smiled sweetly and
said, "I picked up all the pieces."

★

"I is—" began a schoolchild.

"I am," corrected his teacher.

So he proceeded, "I am the ninth let-
ter in the alphabet."

★

He (in restaurant): "A scientist says
that what we eat we become."

She: "Good, let's order something
rich."

★

Lecturer (after his speech) "Give my
check to some charity."

Chairman: "Would you mind if we
add it to our special fund?"

Lecturer: "Not at all. What is the fund
for?"

Chairman: "To enable us to get bet-
ter lecturers next year."
